HELLENES WRITE TO AHI : “GEOGRAPHICAL QUALIFIER” FOR MACEDONIA?

[Ξένες γλώσσες / In English](#)

For Immediate Release: July 11, 2009

NEW YORK—**The Hellenic League of America (HLA) alerts the community about support for the false historical revisionist “geographical qualifier” for Macedonia.** Several statements by the American Hellenic Institute AHI -one of the oldest establishment institutions purporting to support Hellenism in America - indicate AHI support for legislation supporting the “geographical qualifier” for Macedonia in Congress. This expresses a split between historical truth and community opinion and the false historical revisionism supported by the Greek political establishment or Greek ruling class in Greece, and its lobbies or allies in Washington DC.
