## Charity lifts the Prayer (Metropolitan Athanasios of Lemessos)

[Ξένες γλώσσες / In English](#)

If you want to pray, you have to become a

charitable person. Charitable in every sense of the word...

When you say a good word to somebody else or you offer something or give alms, then this action moves your soul to prayer.

It's well-established that when charitable people stands in prayer, their prayer goes up to God and is accepted.
