Building Churches in Egypt and the Ground Zero Mosque

[Ξένες γλώσσες](#) / [In English](#) / [Ορθόδοξη πίστη](#)

Egyptians, Muslims and Christians alike, are closely watching the controversy associated with the Ground Zero Mosque project, though for different reasons. The Egyptian media is giving this issue full coverage with articles mostly accusing Americans of Islamophobia, and supporting Muslims to hold on to their rights to

build a mosque anywhere as guaranteed by the US constitution, regardless of what Americans think.
