To:

The Esteemed Commissioners of the Holy and Respected Monastery of Vatopedi,

Christ has Risen!

After sending you my brotherly embrace in Christ and my best wishes that you may celebrate the bright Day of the Resurrection with joy and joyful heart for many years, I would like to inform your brotherly love that the work has been published last week. I am sending two books and please take the pleasure in letting me know of the best way to send the books, and on their required number. That is, if you wish me to send you 100 books or less.
