## **They've seen the mire (Saint Dimitri of Rostov)**

[Ξένες γλώσσες / In English](#)

Those who truly know themselves have made a start at acquiring humility, because they've seen the extent of their weakness and also the cesspit which is hidden

within their soul. 'Broken and contrite' and in despair over themselves, they've then turned to God, ceaselessly begging his mercy.

### **Saint Dimitri of Rostov**
